

The background of the image is an abstract, marbled pattern in shades of teal, blue, and gold. The pattern consists of swirling, organic shapes and speckles, creating a textured, liquid-like appearance. The colors are vibrant and layered, with the gold appearing as small, scattered flecks and larger, more defined shapes within the teal and blue swirls.

IT'S OUR TURN NOW - ABUNDANCE

Greetings in the Name of Jesus!

I would like to welcome you to our 14th annual It's Our Turn Now conference – “Abundance.” It is with great excitement and anticipation that we look forward to what the Lord will do over the next few days. Our church and the leadership team at True Life have been fasting and praying for an ABUNDANCE of Holy Ghost rain to fall during this conference.

My burden is tremendous for the next generation and I realize by you being here today, you share this same burden. This truth is more than just WHAT we believe, it is in WHOM we believe –we desire to see souls saved and men and woman, young and old alike walking in their callings! Not for an abundance of fame or fortune, but of faithfulness, loyalty, a burden for souls, and the Kingdom of God. We have a heavy responsibility to the young men and women that will continue in the faith after we have gone on to our reward. It is my prayer that many will be called to the ministry and receive direction during this conference. They need mentors and leaders that will give them opportunities to learn and grow. It is my desire that this meeting will launch many if not all of them into a place where God would have them serve in His Kingdom.

Without your support, both physically and financially, this conference would not be possible.

Please take your liberty during this conference and speak into the hearts and lives of these young men and women. That's what It's Our Turn Now is designed for.

God bless each of you and again, thank you for taking time out of your busy schedule to be with us. I trust you will be blessed and enriched by being a part.

Sincerely,

Rev. Dale Beebe
